

JetApps

BRAND
GUIDELINES

Version 2.0 | October 2018

These guidelines provide a detailed and accurate view of the JetApps' brand, bringing unity and integrity to our identity

The JetApps' brand guide should:

- Provide uniformity and clarity throughout the hosting industry.
- Increase the value of each JetApps Partner.
- Maintain JetApps' position as the leading provider of data backup, migration, and replication software.
- Reinforce JetApps' promise to provide excellent software and customer service.

We want JetApps to be:

THE LEADING PROVIDER OF
DATA BACKUP,
MIGRATION AND
REPLICATION
SOFTWARE ▲

The characteristics of our brand include:

DEPENDABLE
PROFESSIONAL
HOSPITABLE
RELIABLE
LOYAL
SECURE
